respect to the renewal of the Agreement, it being understood that, subject to any requirements of the LHIN, MOHLTC or legislation that affect the Executive's compensation. ## 5.0 Termination

### 5.1 Termination at the end of the Term:

In the event of termination of the Agreement pursuant to Sections 4.3(a), (c) or (d) above, the Executive shall work to the end of the Term. The Hospital shall provide the Executive with an eighteen (18) month severance payment at his base salary in lieu of: notice, or entitlement of Notice of Termination (including benefits) and Severance Pay pursuant to the *Ontario Employment Standards Act, 2000*, or any rights under common law. Payment of base salary shall be by way of lump sum payment. The Hospital will also provide the Executive with benefit coverage for the minimum period of notice required under the *Ontario Employment Standards Act, 2000*. For the sake of clarity, the Executive shall not be entitled to any common law notice or the entitlements upon early termination as set out below in Section 5.3.

### 5.2 Termination by the Hospital for cause prior to the end of the Term:

The Hospital may terminate the Executive's employment for cause, without provision of notice or pay in lieu of notice.

### 5.3 Termination by the Hospital without cause prior to the end of the term:

The Hospital may terminate this Agreement at any time prior to the end of the Term and without cause upon payment to the Executive of a sum equivalent to twelve (12) months' at his base salary if terminated prior to the end of three (3) years from the Effective Date, or to eighteen (18) months' at his base salary if terminated post three (3) years from the Effective Date. Performance pay percentage in effect at the time of his termination will be paid up to a maximum of twelve (12) months but not extended past the end of the Term of this contract. Performance pay will be paid in accordance with Hospital practice and process in effect at the time of termination.

The Hospital shall continue to provide the Executive his benefits, subject to the eligibility requirements of the insurer, for twelve (12) months following termination, but not extended past the end of the Term of this contract following termination. In the event the insurer will not continue benefits, the Hospital shall pay the Executive the equivalent of the monthly benefits premiums (as paid by the Hospital at the time of termination) for each month of benefit discontinuation by the insurer to a maximum of twelve (12) months.

Payment of base salary shall be by way of lump sum payment unless salary continuance is required to ensure continued coverage in any benefit plan to a maximum of twelve (12) months.

This provision is inclusive of and satisfies all entitlements to notice, benefits and severance (if applicable) under the Ontario *Employment Standards Act, 2000*.

5.4 Early termination by the Executive:

The Executive may terminate this Agreement at any time upon sixty (60) calendar days' written notice to the Hospital; provided, however, the Hospital shall be entitled to waive all or part of such notice. Where the Hospital waives the notice, the Executive shall continue to be eligible for salary and performance pay percentage to the end of this notice period. Benefits will also be continued to the end of this notice period. In the event the insurer will not continue benefits to the end of this notice period, the Hospital shall pay the Executive the equivalent of the monthly benefits premiums (as paid by the Hospital at the time of termination) for each month of benefit discontinuation by the insurer to the end of this notice period. For clarity, if the Executive elects early termination, no payments are required under this Agreement after the end of the sixty (60) calendar days' notice period by the Hospital.

5.5 Termination due to Frustration of Contract:

This Agreement shall be terminated on the basis of frustration and considered at an end in the following circumstances:

- (i) after the Executive has been incapable of performing the essential duties and responsibilities under this Agreement for a period of six (6) months due to illness or injury; and
- (ii) a report has been obtained from the Executive's medical practitioner certifying that the Executive is unlikely, in the subsequent six (6) months, to be able to resume his duties notwithstanding reasonable efforts to accommodate up the point of undue hardship,
- (iii) if the Executive's medical practitioner certifies that the Executive is unlikely, in the subsequent twelve (12) months to be able to perform the essential duties and responsibilities under this Agreement, notwithstanding reasonable efforts to accommodate up the point of undue hardship.

Entitlements upon Termination for Frustration

In the event the Agreement comes to an end due to Frustration as set out above, the Executive shall be entitled to fifteen (15) weeks' notice of termination.

Salary and benefits shall continue during the 15 week notice period and for the period of the Executive's severance entitlement under the Ontario *Employment Standards Act, 2000* subject to the following:

- a. Extended Health and Dental benefits will continue during the 15 week notice period and for the period of the Executive's severance entitlement under the Ontario *Employment Standards Act, 2000*, if permissible under the provisions of the insurance plan.
- b. All other benefits will continue during the 15 week notice period and for the period of the Executive's severance entitlement under the Ontario *Employment Standards Act, 2000* unless prohibited by any plan or policy in which case the subject benefit(s) will continue for the Executive's minimum period of notice under the Ontario *Employment Standards Act, 2000*.

The 15 week notice period shall be inclusive of and not in addition to the Executive's notice entitlement under the Ontario *Employment Standards Act, 2000*.

The Executive shall also be provided with his minimum severance entitlements, if applicable, under the Ontario *Employment Standards Act, 2000*.

All payments are subject to required statutory deductions.

Pursuant to the terms of HOODIP (the Hospital's current disability benefits plan), if the Executive meets HOODIP's eligibility criteria for long term disability benefits on the date the Executive's participation in HOODIP terminates, the Executive will be entitled to long term disability benefits under HOODIP, subject to the terms and conditions of HOODIP. For the sake of clarity, the Hospital does not guarantee the provision of benefits under HOODIP and any benefit claim is subject to the provision of HOODIP. Any dispute about benefits under HOODIP is a dispute exclusively between the Executive and HOODIP.

The Executive agrees to cooperate with the Hospital in obtaining the report from his medical practitioner upon request of the Hospital.

Vacation does not accrue during any unpaid leaves of absence, except as required by the minimum *Employment Standards Act, 2000* provisions

- 6.10 The Hospital and Executive shall pay the applicable premium cost of the benefits as outlined in the attached Schedule "C". Participation in these benefits will be subject to the terms of the applicable benefit plan or policy in effect from time to time for non-union management positions. The Hospital may change these benefits and benefit terms from time to time, in which case the President and CEO will advise the Executive of the change(s). The Executive will be subject to the general conditions and limitations in any benefit plan or program and may be changed without advance notice by providing written particulars of such changes. For insured benefits, the Hospital is only required to pay their portion of the premiums and have no further obligations. Termination of benefits will be in accordance with the termination provisions of this Agreement. Method of payment is the same for the Executive as other non-union management of the Hospital. Any dispute under the terms of the plans is a dispute solely between the Executive and the insurer.
- 6.11 The parties understand the Regulation 304/16 "Executive Compensation Framework" under the *Broader Public Sector Executive Compensation Act, 2014*, requires hospitals, through the Board, to develop a compensation framework for executives, and that this Agreement will have to comply with the provisions of the Act or any similar successor legislation and any regulations issued thereunder;
